## **PAUSE**

Lasting peace and happiness,  
that's what you're wished today.  
And with that wish, an act of change  
to **CREATE** a brighter day.

**TOGETHER** we are united,  
investing in solutions.  
Iowa's women and girls will benefit  
from our contributions.

In your **HONOR**, I have made a contribution to  
the Iowa Women's Foundation.

**Thank you for your inspiration!**
