

Improving the lives of Iowa's women and girls

January 2022

Buckle Up 2022! Here we come!

You are **WHY** We Succeed!

2021 was a year of action for the Iowa Women's Foundation. Improving the lives of Iowa's women and girls by shattering the barriers to their economic self-sufficiency continues to drive the work of the Foundation. Using research to guide us, increasing grantmaking, moving to the next level in advocacy, providing education and collaborating with our partners across the state - sponsors, donors, volunteers and grant partners - who provide the resources to realize these goals each year was instrumental in the success. Goals for 2022 – We need **YOU!**

As we jump into the new year, we have a new three-year strategic plan to guide us as we continue to expand the work of the Foundation. This plan is aggressive, but exciting. We are ready to tackle each area to best serve the women and girls of Iowa. We have realigned the volunteer committees and we need you to join us and share your expertise! OVATION – WE HAVE A DEAL FOR YOU!

The 9th Edition of IWF's signature publication *OVATION: A Tribute to Iowa Women and Girls* is underway! Who will you recognize this year?

OVATION serves as a current day historical account of Iowa women and girls who have had an impact on their families, friends, colleagues and communities. It also serves as a fundraiser providing a critical source of revenue for grants and the work to improve the lives of Iowa's women and girls. **If you commit to a tribute and pay in full by January 31st, you may take 10% off the cost of the tribute.**
