

Emergency Fund Grant

GUIDELINES

IWF Emergency Fund Grants are small, one-time-only cash awards given to non-profits and other community organizations, including organizations that may not be eligible for traditional grant funding, for immediate emergency funding needs for servicing clients. These grants for short-term projects or tasks are awarded to organizations that address at least one of the six major barriers that IWF research has identified as most critical to the success of Iowa's women and girls: child care, education and training, employment, housing, mentors, and transportation. If your organization is addressing any of these barriers we encourage you to apply for an IWF Emergency Fund Grant.

IWF will consider funding requests for the following:

- Purchase of products, supplies and equipment
- Emergent, unexpected or urgent tasks
- Expenses not built into the annual budget
- Emergency funds required and not budgeted to keep you in business and providing services to your clients

IWF will not consider funding requests for the following:

- Political campaigns / PAC's
- Capital campaigns and endowments
- Ongoing annual operating expenses
- Grants to individuals, for-profit entities and sectarian religious programs
- Loans
- Scholarship/tuition reimbursements
- Travel
