

# THEY DON'T WANT HER THERE

Fighting Sexual and Racial Harassment in the American University

by Carolyn Chalmers

★ 2023 MINNESOTA BOOK AWARD FINALIST

“Chalmers’s conversational writing style draws the reader into their world, into their frustrations, and eventually their triumph. *They Don’t Want Her There* is an excellent read that provides insight into two women’s struggle against an institutional powerhouse in a story that still feels unfortunately relevant today.”—**Choice**

“With an informative foreward by professor and physician Jean Jew, this remarkable, candid, and detailed account is an inherently fascinating and memorable read.”—**Midwest Book Review**
